2,158 Volunteer Hours

Volunteers are essential to Sponsors mission! In 2021, volunteers served as mentors, helped out in the warehouse, greeted guests in the Reentry Resource Center, kept the Bicycle Recyclery thriving, maintained our beautiful campuses and much more!

Financial assistance provides a critical safety net for participants on their path to stability. Funds can be requested to help with medical needs, security deposit on an apartment, transportation costs such as a bus pass, and other one-time expenses.

Sponsors Bicycle Recyclery

The Recyclery provides transportation options for participants' traveling to and from work and other appointments. The shop is also open to the general public. Prices in the shop are affordable, and all proceeds fund bike mechanic certifications, work stipends, and hardship funds for participants..
